Messianic

What does it mean to be “Messianic”?

Semantically, the terms “Messianic” and “Christian” widely mean the same, or at least similar, things—both detailing a belief in the Anointed One or Messiah/Christ. Yet, probably the biggest difference between the belief systems of “Christianity” and “Messianism,” if the latter can be termed that, is that *being Messianic* entails a much stronger connection to the practices of the Hebrew Bible or Old Testament, and most especially being connected to a theological and spiritual heritage rooted within the Jewish Synagogue. Messianic people, quite contrary to Christian tradition and custom, do widely observe the seventh-day Sabbath or *Shabbat*, the appointed times or *moedim* of Leviticus 23, the kosher dietary laws, and regular (often weekly) study of the Torah. Much of this is done in conjunction with Jewish outreach and evangelism, expressing solidarity with the Jewish community, and standing against anti-Semitism.

When we refer to being “Messianic” as a ministry, it is to identify with a readily available movement which places a very high emphasis on the Hebraic and Jewish origins of our faith. Although we would certainly point out that doctrinally there are many similarities between evangelical Protestantism and the Messianic movement, there can be differences in regard to ecclesiology (the study of God’s elect) and the place of God’s Law. But just as Protestantism itself is quite diverse, so is the emerging Messianic movement.¹
